

For an historic perspective on AWRA in Montana, check out our 'Archives' on the WEB at <http://awra.org/state/montana>

Dear Prospective Member:

Are you interested in **water resource issues in Montana**? Would you like to be in touch with other water resource professionals that share your interest? The Montana chapter of the AWRA was founded in 1984 and currently consists of over 150 professionals and students that share the **common goal of promoting water resources research, planning, development and education in Montana**. To accomplish these goals, the Montana Section of the American Water Resources Association (MTAWRA) hosts an annual meeting each year to provide a common meeting ground for physical, biological, social scientists, engineers, and other persons concerned with water resources.

Are you ready to join the MTAWRA? Join today and receive an annual membership. For a nominal fee, membership brings you

- The monthly **Montana Water newsletter** that features water issues impacting Montana.
- The annual **MTAWRA newsletter**.
- A **membership list** along with member's area of interest and expertise.
- An **invitation** to attend and present at the **MTAWRA annual conference**.

For more information call the Montana Water Center at: (406) 994-6690

JOIN the Montana AWRA Today!

Membership Information: Montana AWRA membership is automatic with attendance at the annual conference. To register for the conference go to: <http://water.montana.edu/awra/registration/default.asp>.

Professional Membership: \$35.00 per year
Student Member: \$15.00 per year
