

**The NJ Section of the
American Water Resources Association presents:**

September 26, 2008

**4th Annual
Water New
Year's Eve
Celebration**

Neshanic Valley Golf Course

2301 South Branch Rd.
Neshanic Station, NJ 08853

***6:00 Cocktail Hour
7:00 Dinner***

The Water Year is used by hydrologists to show the monthly patterns of precipitation, evaporation/evapotranspiration, runoff, and groundwater recharge, the primary components of the hydrologic cycle. Hydrologists use a year that begins on October 1st when soil moisture begins to be recharged following the summer months.

NJ-AWRA uses the Water New Year as an occasion to celebrate water resources and have some fun with our members.

www.njawra.org

Neshanic Valley Golf Course was recently certified as a River-Friendly Golf Course by the New Jersey Water Supply Authority
