

MEMBERSHIP AND DUES

The American Water Resources Association (AWRA), is a multi-disciplinary organization dedicated to the advancement of research, planning, management, development, and education in water resources. The AWRA provides a focal point for the collection, organization, and dissemination of ideas and information in the physical, biological, economic, social, political, legal, and engineering aspects of water related issues.

The Pennsylvania Section of AWRA is financially independent of the national organization and is supported by its own membership dues. Membership in the Pennsylvania Section, is easy to obtain and inexpensive. If you are interested in any aspect of water resources, a payment of as little as \$10 makes you a member for 2010. Membership in the Section entitles you to the following:

- the informative Section Newsletter
- a network of colleagues living and working in the Ohio, Susquehanna, and Delaware Basins in water-resource-related fields.
- an annual conference and other water-resource related announcements and information
- a media for the dissemination of information on all aspects of water-related issues

Take part, join the Section, and become more aware of our precious water resources.

If you are not currently a member, please use the "Membership Application - Annual Dues Payment" form provided below for payment of dues. The National AWRA does not collect dues for State Sections, so it is the responsibility of the individual or the organization to submit dues directly to the Pennsylvania Section AWRA.

In the future, the Section mailing list will be purged of non-dues paid members. This will allow the Section to trim mailing and publication costs, and allow for including others that want to become active and participating members in the Section activities.

Note that the Pennsylvania Section AWRA now posts our Newsletters, meeting announcements, and other water-resource related information concerning Pennsylvania on the National AWRA website at: www.awra.org/state/pennsylvania/
